> Verification is the product: every story is confirmed by two independent publishers before it runs. If a claim can't be sourced, it doesn't ship.

WHAT IT DOES

- Every story confirmed by ≥2 independent publishers
- Refrigeration, HVAC, cold chain and cryogenics coverage
- Sources linked and credited in every edition
- Public corrections policy — corrections@thecoldstandard.app
- The free weekly edition stays free — a ThermoNeural product

THE THERMONEURAL GUARANTEE

- Your data is yours. Everything you build in a ThermoNeural product can be exported in open formats — CSV and PDF — with one click. If you cancel, your account continues on the Free plan and nothing you created is deleted.
- Cancel anytime. You can manage or cancel your subscription yourself, from your profile, in one place. No phone calls, no emails, no retention scripts. Cancellation takes effect at the end of your current billing period.
- 30-day money-back. If your first invoice on any paid plan doesn't earn its keep, email support@thermoneural.com within 30 days of payment for a full refund. No forms, no interrogation.
